

RCHS Public Health Guidelines for Spectators

- Student participants will be permitted to have up to two adult members (18 or older) of their immediate household in attendance to assist with supervision of their student
- School officials will cross reference team rosters and mark off the student name as the spectators arrive to assist with the supervision of their student
- Event attendees must be masked and socially-distanced by at least 6 feet from anyone not from the same household and seated in an identified area
- Restrooms will be open in the River City Stadium
- Visiting teams' spectators are expected to follow the same guidelines and stay in the designated visitors areas
- Following athletic game, supervising adults will not enter the playing field/competition area. Student-athletes are expected to be met outside of the stadium gates.
- For athletic events in the stadium, entire stadium will be cleared after the JV game to allow for families of Varsity Athletes to attend
- Events include but are not limited to baseball, soccer, softball, tennis, track and field, and live performances
