# Frederick Douglass

**Frederick Douglass (born Frederick Augustus Washington Bailey) was born February 14, 1817. He was an African American social reformer, abolitionist, and writer. He was born into slavery and lived enslaved for 20 years before he escaped from Maryland to New York City. From there he wrote his autobiography, Narrative of the Life of Frederick Douglass, an American Slave. It was a best selling book and helped him buy his own legal freedom. After the civil war, he became an active campaigner for the rights of freed slaves. He died at the age of 77.**
