In addition, **SCC "coaches" will be meeting with seniors on campus who have completed the orientation on April 29th and 30th to help with course selection.**

All **Seniors** should have set up their **Parchment** Account for ordering Transcripts. An email was sent out twice in the fall with step by step directions for setting up your free account. Only students and Alumni who have a personalized account may order and send records for free. Use the link in your email or the button on the RCHS Counseling Page (see above) to access Parchment services once your account has been created. See Ms. Price for help.
