Four Year Plans: Students received paper copies of a blank 4 year plan in their grade level assemblies. Please refer to the Course Catalog for elective choices. Be aware of graduation requirements, college requirements, and course prerequisites. Blank plans are available online under the *Planning for Highschool tab* on the Counseling page.

Transcripts: Official Transcripts should not be requested unless you are specifically directed by a university/program. Please include the email from the University or program making the request and carefully follow their directions. Please allow 2-3 days to process requests. Unofficial transcripts may be requested using the [Transcript Request Form](#)

Spotlight on WUE (woowee!) The Western Undergraduate Exchange (WUE) is an agreement among WICHE's 16 members, through which 160+ participating public colleges and universities provide steep nonresident tuition savings for Western students. [Click here](#) for the full list of participating WUE schools! Through WUE, eligible students can choose from hundreds of undergraduate programs outside their home state, and pay no more than 150 percent of that institution's resident tuition rate. WUE increases affordable higher-education choices for students, and minimizes the adverse impacts of student loan debt.
