

We Hear YOUth Survey Parent/Guardian Letter

Dear Parent or Guardian,

River City High School has partnered with Mending Matters to conduct a school-wide needs assessment during the 2022-2023 school year. Your student is being asked to take a voluntary, anonymous survey at school, meaning no personal identifying information will be collected at any time or connected to their answers. The only information associated with their answers will be their school and grade-level. The purpose of this survey is solely to understand the social-emotional needs of our River City High School student population as a whole. Information gathered from the needs assessment will only be reported in aggregate (i.e. as a group). Mending Matters will create a Student Response Report and collaborate with student advisors to create resources that will be shared with students attending River City High School. This Student Response Report will be shared with school staff, the Parent/Guardian community, and community partners. Student participation in the survey is voluntary. We hope that you will encourage your child's participation.

If you have any questions about the survey, please contact Jessica Rodgers, Assistant Principal, at 916-375-7800 (ext 2073).

Sincerely,

Jessica Rodgers, Assistant Principal
