THE HUNCHBACK OF NOTRE DAME offers powerful messages of acceptance, faith and sacrifice set against forces of isolation, power and discrimination. Violence, assault and racial slurs are used in the text and performance of this artistic and historical fiction rendered with complex representations of disability, women and Romani, all of whom continue to face real discrimination today.

THE HUNCHBACK OF NOTRE DAME is presented through special arrangement with Music Theatre International (MTI). All authorized performance materials are also supplied by MTI. www.mtishows.com
