Dear Families and the Class of 2021,

I am elated to announce that we are able to have one in-person graduation at Sutter Health Park on Friday, June 4th. To celebrate the seniors in this traditional way brings much excitement to the River City staff.

Our plans continue to be dependent on the state of the pandemic and the health and safety guidelines of Yolo county. One of those measures is the capacity percentage of the ballpark as determined by the California Department of Public Health; therefore, there will be a set number of guests per graduate. Once we have determined how many graduates will be participating in the graduation, we will be able to announce the number of tickets allotted.

Finally, don't forget to mark your calendars for the cap and gown drive through celebration scheduled for Saturday, May 1st. We will be providing more information in the upcoming weeks. As always we appreciate your continued patience and support.

All my best,

Brittony Billingslea, Principal
